

4TH OF JULY INDEPENDENCE DAY ACTIVITY PACK

WHAT MAKES THE 4TH OF JULY SO AMAZING?

More Information:

Independence Day, also known as the 4th of July, celebrates the birth of the United States. On July 4, 1776, the Declaration of Independence was adopted, declaring our nation's freedom. Today, families celebrate with parades, fireworks, flags, patriotic music, cookouts, and community events. The red, white, and blue colors of the American flag remind us of courage, freedom, and unity. The 4th of July is a wonderful time for children to learn about our country while enjoying fun traditions, creative crafts, and making special memories with family and friends.

The 4th of July is a special day when people across the United States celebrate our country's independence. Families and friends gather for parades, cookouts, fireworks, and fun traditions. The red, white, and blue colors remind us of the American flag and the values of freedom, courage, and unity. Children can celebrate by creating patriotic crafts, learning about our nation's history, and enjoying time with the people they love.

Fun Facts:

- The first organized Independence Day celebration with fireworks was held in 1777.
- The U.S. flag has 50 stars — one for each state.
- Americans eat about 150 million hot dogs on the 4th of July!
- The Liberty Bell in Philadelphia is famous for its crack.
- John Adams wanted fireworks to mark the day forever!

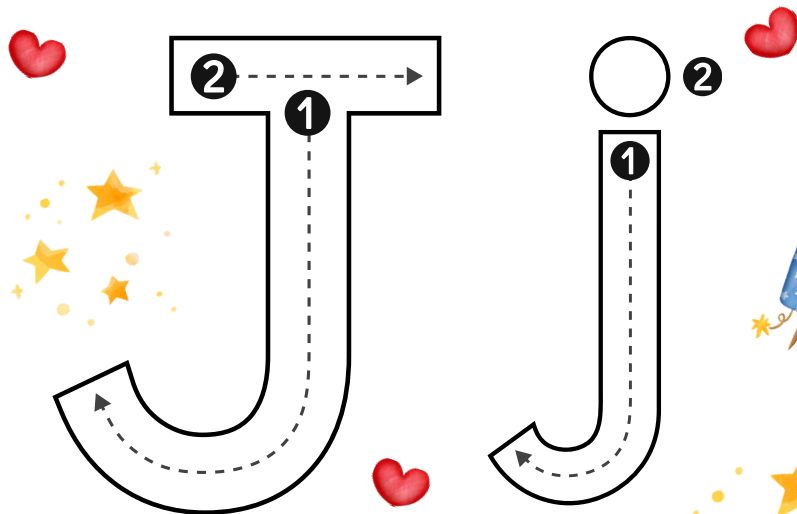

Sensory Activity:

Patriotic Play Dough
Mat Fun — Give children red, white, and blue play dough and a festive mat printed with fireworks or stars. Let them press, squish, and shape the dough. Provide glitter or sparkly confetti so they can make their creations shine bright like fireworks!

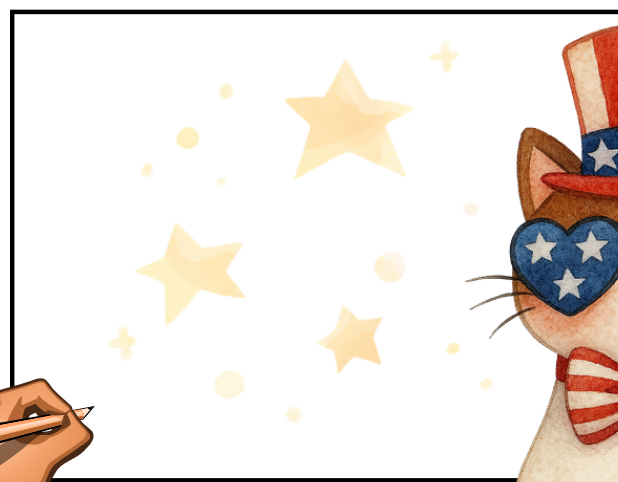

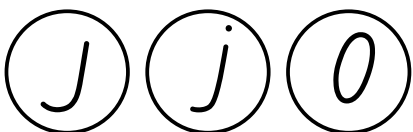

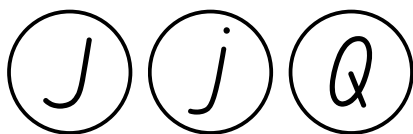

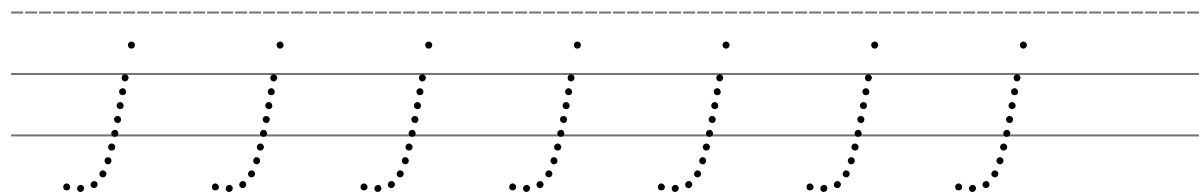

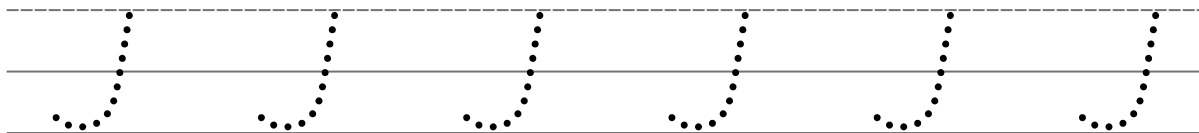

Classroom Visuals:

- Make a giant “Fireworks Wall” using red, white, and blue streamers and paper stars.
- Let each child decorate a paper plate, fireworks crafts & display.
- Have each child decorate a paper red, white, & blue paper plate wreath.
- Create hanging paper lanterns in red, white, and blue for a festive classroom display.

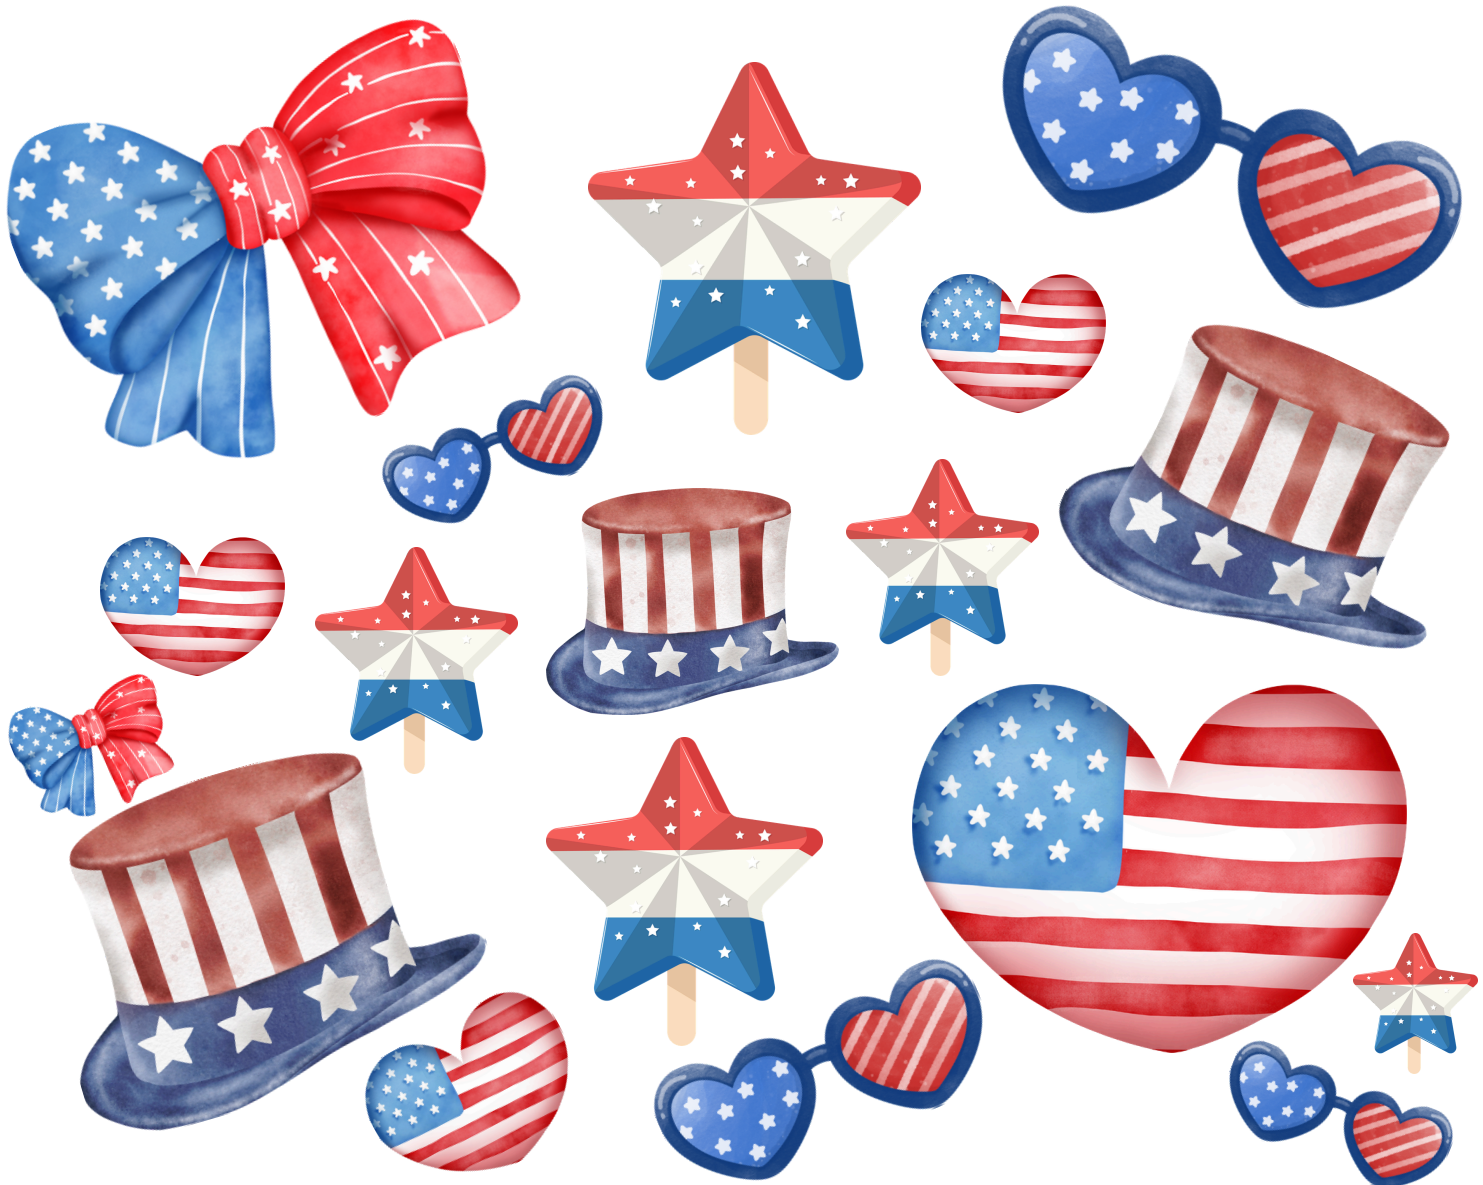

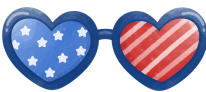

J is for July.

4th of July Counting

Instructions: Count each item, then tally them into the boxes below:

				

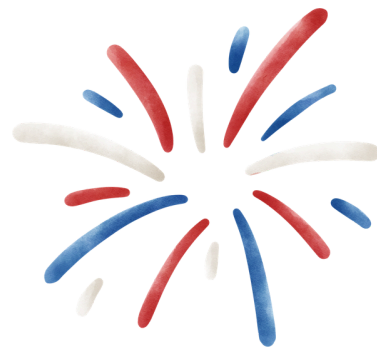

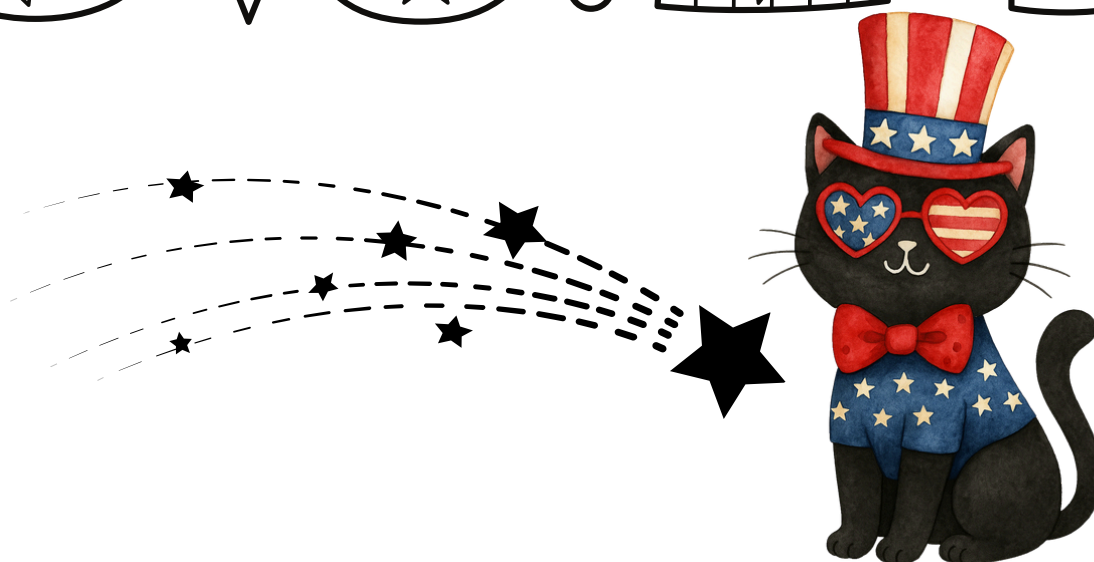

Name: _____

SHADOW MATCHING

Draw a line to match the patriotic cats to their matching shadow.

HAPPY
4th
of
JULY

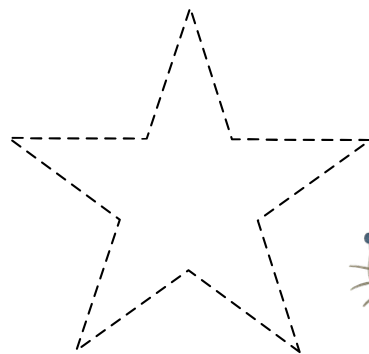

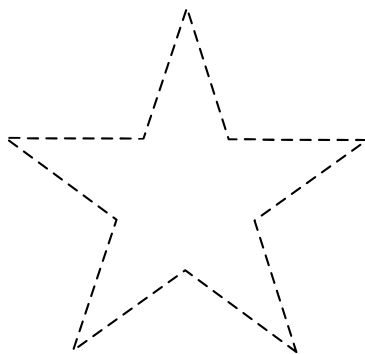

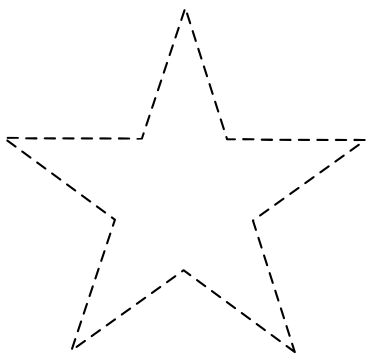

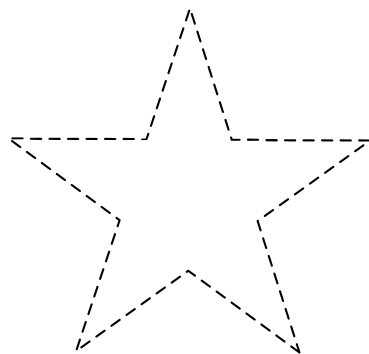

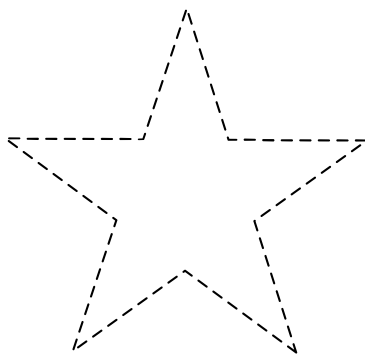

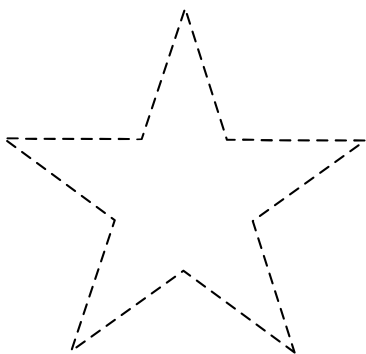

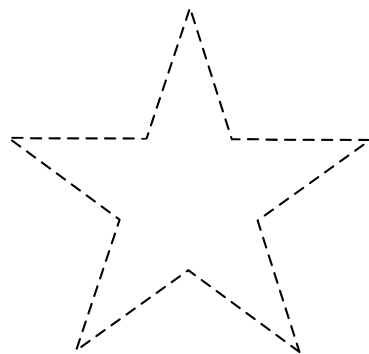

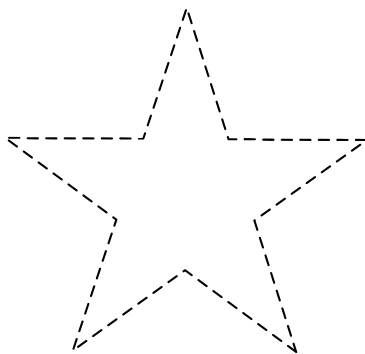

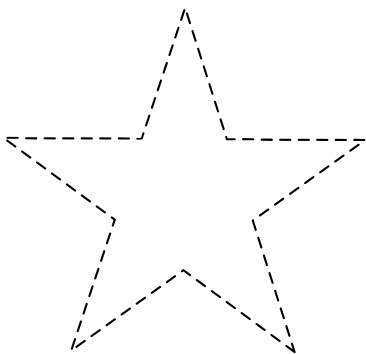

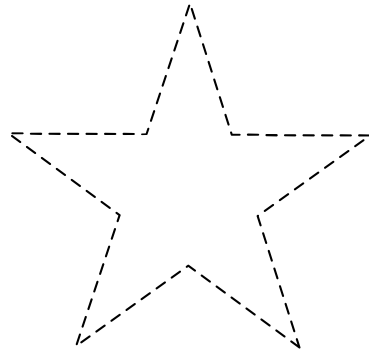

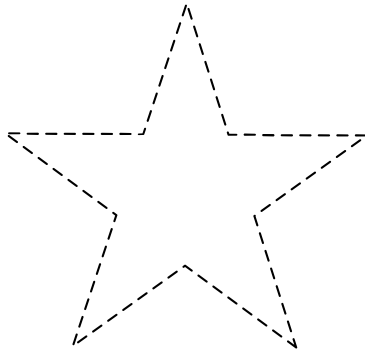

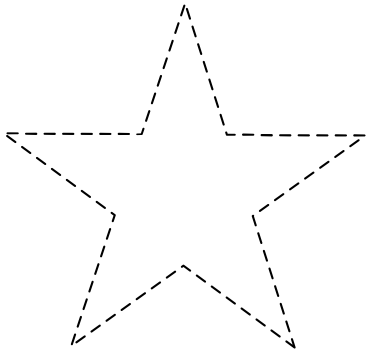

Happy
4th of July!

Name: _____

Tracing Stars

Trace all the stars then color them red, white, and blue.

PAPER PLATE

Fourth of July

WREATH CRAFT

MATERIALS NEEDED:

- ★ Paper plate
- ★ Red construction paper
- ★ Blue construction paper
- ★ White construction paper
- ★ Ribbon (red, white, or blue)
- ★ Scissors
- ★ Glue stick
- ★ Pencil
- ★ Hole punch (optional)
- ★ Crayons, markers, or stickers for decoration (optional)

INSTRUCTIONS:

- 1 PREPARE THE PAPER PLATE BASE:**
Take a paper plate and cut out the center, leaving a ring. This will be the base of your wreath.
- 2 CUT OUT STARS & STRIPS OF PAPER:**
Using the red, blue, and white construction paper, draw several stars of different sizes with a pencil. Cut out the stars. You can make as many stars as you like to fill your wreath. Cut out any additional shapes you may want to use, too. You could also use stickers.
- 3 DECORATE THE STARS (OPTIONAL):**
If you want, you can decorate the stars using crayons, markers, or stickers to add extra sparkle and fun designs.
- 4 ATTACH THE STARS & DESIGNS TO THE WREATH:**
Apply glue to the back of each star and stick them onto the paper plate ring. Arrange the stars in a pattern, alternating colors and sizes, until the entire ring is covered.
- 5 ATTACH THE RIBBON:**
Use a hole punch to make a small hole at the top of the wreath. If you don't have a hole punch, you can carefully cut a small slit with scissors. Thread the ribbon through the hole and tie a knot or bow at the end to create a loop for hanging.
- 6 LET THE GLUE DRY:**
Allow the glue to dry completely so that all the stars are securely attached to the wreath.
- 7 HANG AND ENJOY:**
Find a special place to hang your beautiful Fourth of July wreath and enjoy your festive decoration!

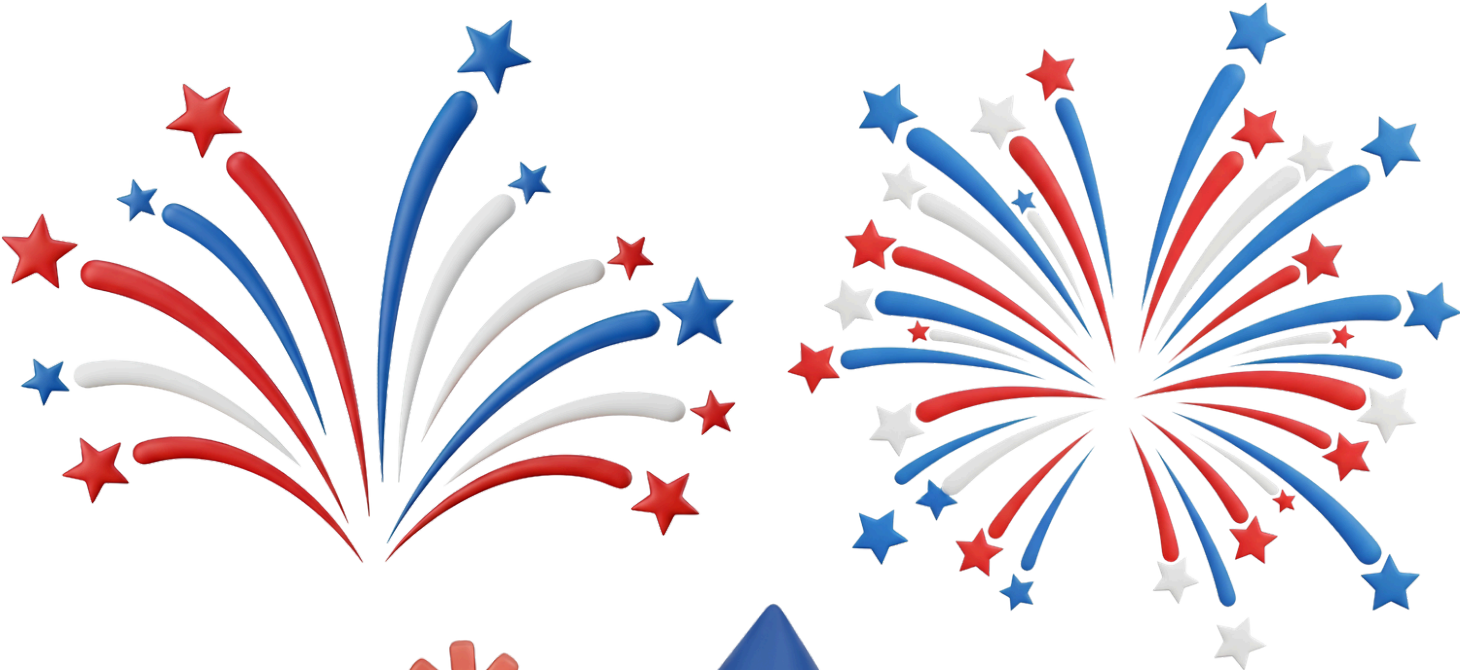

★ TIPS: ★

- ★ You can add additional decorations such as glitter, sequins, or buttons for extra flair.
- ★ Instead of drawing stars by hand, you can use star-shaped cookie cutters or stencils for easier tracing.

★ ★ *Have fun crafting and celebrating the Fourth of July!* ★ ★

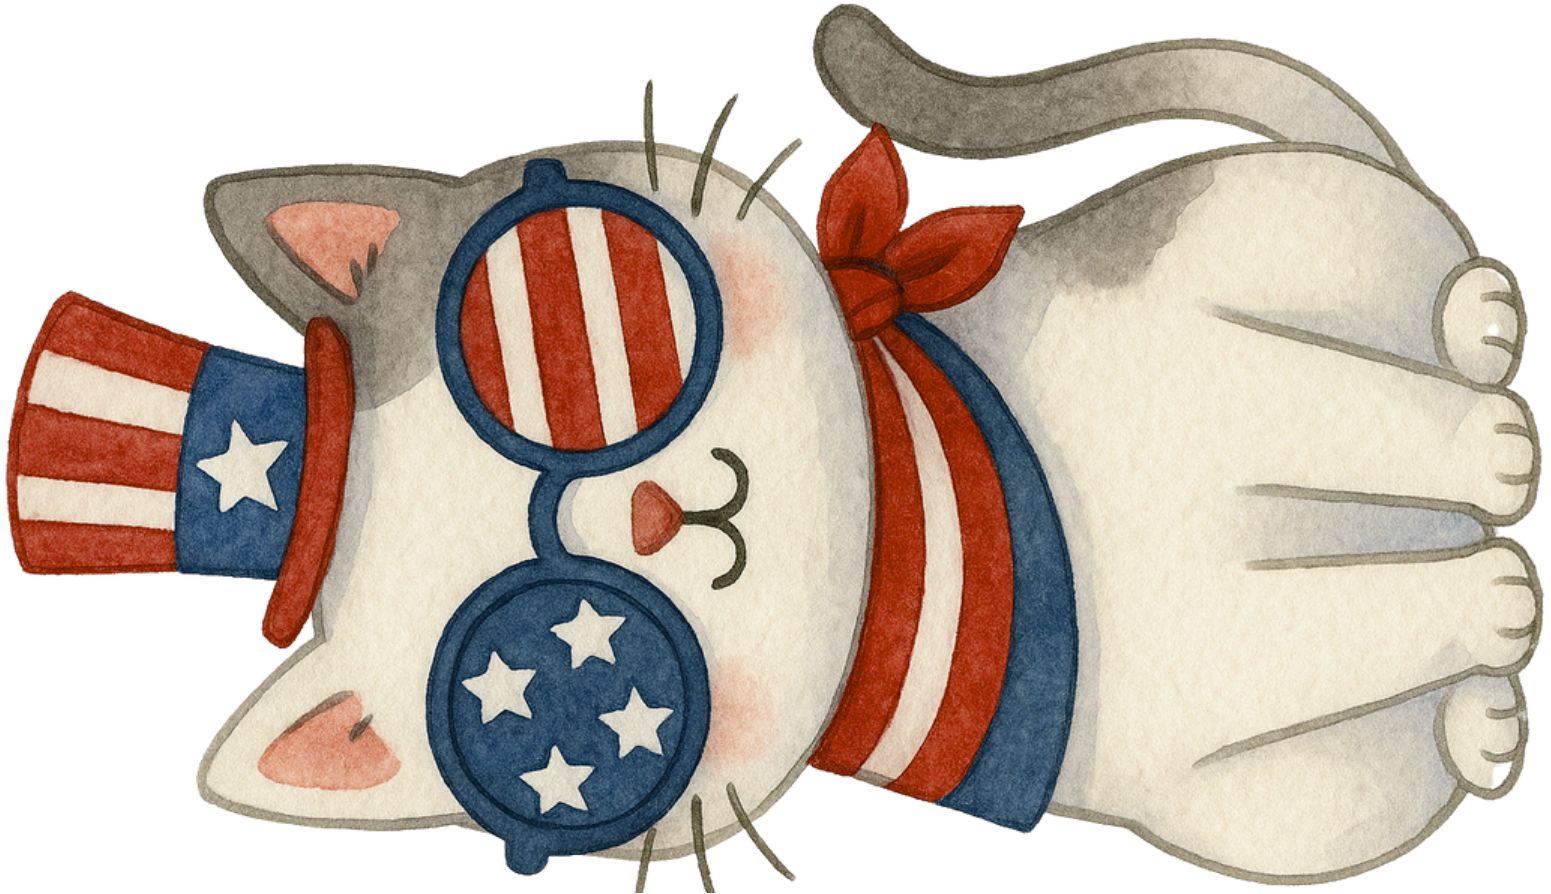

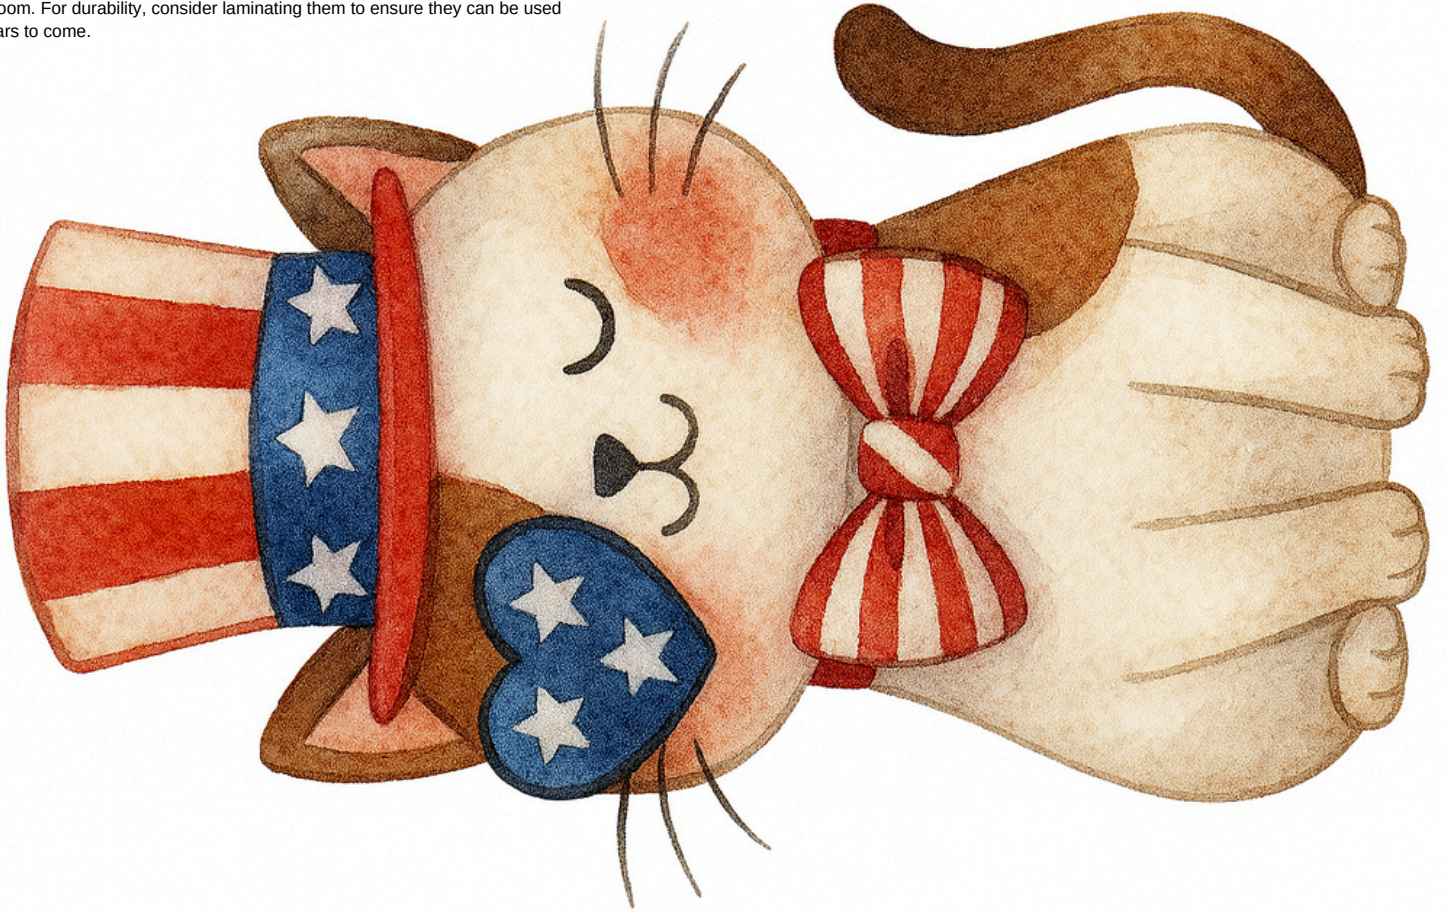

Let's Play-Doh

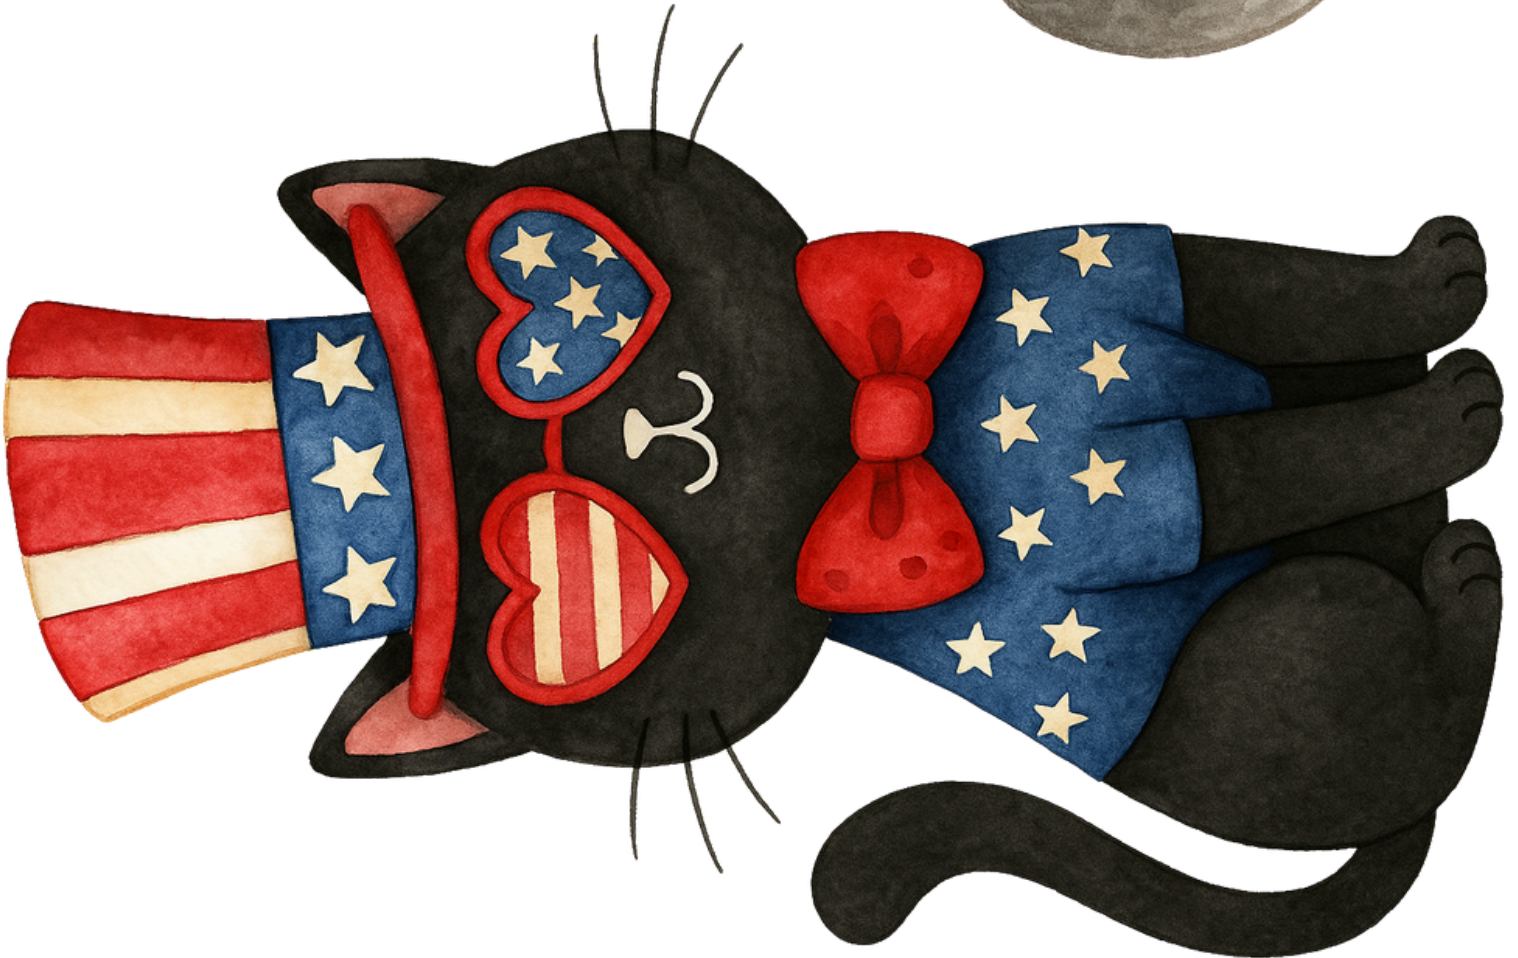

Print out the page and cut out the images. Display the various images in your classroom. For durability, consider laminating them to ensure they can be used for years to come.
